

INDOOR 2016/17 REFUND POLICY

REGISTRATION FEE REFUND POLICY

When a player registers for SWU we guarantee that player placement on a team, but will not guarantee a certain level of play. Player placement will be determined in the evaluation process. An administration fee of \$50 will be deducted from any player who chooses to withdraw, up until the official registration closing date.

If a player has attended an officially scheduled evaluation event, or the refund request date is after the official registration closing date, there will be NO refund granted under any condition, with the exception of season-ending injuries as noted below. No exceptions will be granted, and no appeals will be reviewed or considered.

If a player has a season ending injury, a refund or partial refund may be issued at the discretion of the Executive Director (partial refunds will be granted based on a pro-rated formula related to games played). Players requesting a refund due to season-ending injuries must complete a refund request form, which will then need to be submitted for review along with a doctor's note explaining the injury.
