About League1 AB:

League 1 Alberta is the province of Alberta's pro-am, standards-based, senior league. Founded in 2023 and in this inaugural exhibition season, the league will be launching with seven teams on both the men's and women's side.

League1 Alberta will serve as a steppingstone between the high-performance youth level, elite amateur, and professional levels of the game within Alberta. League1 Alberta's goal will be to showcase and develop Canada's future soccer stars, coaches, and match officials by providing an important platform for them to showcase.
